¹ Some restrictions apply - see Pricing Terms and Conditions for Invisalign.

² For Invisalign Express 10 treatment plans that exceed the 10-stage limit, partial treatments of 10 stages may be purchased at the Invisalign Express 10 price. Other Invisalign Express 10 restrictions and criteria apply. Partial treatments are only eligible for Automated Refinement

³ Automated Refinement is an option to order additional aligners to move teeth closer to the originally approved final position.

Aligners for Automated Refinements are automatically produced and shipped without the need of an approval of a ClinCheck treatment plan.

⁴ For Invisalign Express 5 treatment plans that exceed the 5-stage limit, partial treatments of 5 stages may be purchased at the Invisalign Express 5 price.

Other Express 5 restrictions and criteria apply.
